TAXI DRIVER

If you've never felt a hot mouth sucking madly on the head of your cock while another pair of soft steamy lips is busy kissing your balls, I'm here to tell you that it will blow your mind... not to mention your nuts!

It all took place last summer. The world was slammed by the pandemic and I took a job driving a cab part time. It didn't pay much but it kept the family fed.

I even refused a few offers from lady passengers to take my fare out in trade. I was honestly more interested in money than pussy. Besides, I have more woman at home than I can handle. At least that's what I thought until I met two chicks, Michelle and Brianna. They have bodies that would give a corpse a hard-on.

Still, when they got in my cab one night, I considered it no more than a pleasant diversion. I adjusted my rear-view mirror and enjoyed watching the two pairs of tits bounce as we drove along.

The sight reminded me that it had been over a week since I'd had sex with my wife. So, actually I was happy to ride along, looking at the girls' tits while I fantasized about what I was going to do to my wife when I got home.

Long before we arrived at their destination, Brianna caught me looking. She smiled and winked. I tried to get my mind back on my driving, but the urge to look again was too strong.

So, seconds later, I glanced at the mirror again. There were four naked tits

The night the back seat of my cab turned into a hothouse on wheels

staring back at me. The girls giggled as I swerved out of my lane and almost side-swiped a semi. I fought desperately to regain control of both my composure and the speeding car.

I managed to get the cab back into my lane but even after the scare, my dick was trying to jab a hole in my pants. I kept my eyes on the road and swore to myself that I wouldn't look again. All I wanted to do was drop them off before I lost my cool.

But, the girls had other plans. One of them, Michelle, leaned forward and touched the back of my neck with her big tits. I groaned and nuzzled my head against the soft, warm beauties. "That's better," she purred, as she flicked her long, wet tongue around my ear. "We just like to play," she cooed.

"L-look," I stammered, still trying desperately to keep my marriage vows. "I don't have any money."

"We want fun, not money," she giggled as she slid her hand under my shirt and ran it nearly down to my belly button. The sudden move caused her to crush her magnificent boobs against my head.

While Michelle massaged my chest and belly with her soft hot hand, Brianna climbed into the front seat and unzipped my fly. "Please," I begged, with very little conviction. Because by then, Brianna had my cock out of my pants and was busy pumping it up and down with her smooth, hot hand.

"Hey, that's not fair!" Michelle shouted as her friend ducked down and took my cock into her sweet mouth, while she licked the pre-cum from the tip of my drooling cock. "We share, remember?"

Brianna mumbled something that sounded like "Yes," but the word was muffled by a mouth full of dick. "Wait, girls," I shouted. "There's plenty. Give me a minute and I'll find a place to stop."

Brianna pulled her mouth off of my cock and frowned at her friend as she climbed into the back seat. I took a sharp right and headed for a deserted section of town. Even the cool night air wasn't enough to shrink my throbbing cock. I

Somehow I managed to get myself into the back seat and wedged between the two chicks. Immediately a pair of hands reached for my dick.

drove like a maniac with my joint hanging out in the open.

As often as I dared to, I glanced back at the girls. They were so hot that before we reached the dirt road that I was headed for, they were naked.

The streetlights provided an excellent view as they eagerly fingered each other's pussy. It was a sight that I'll never forget: Both sets of cunt lips were glistening with slick juice while their fingers plunged in and out like miniature cocks.

I stroked my rock-hard pole as much as I dared to; I wanted desperately to come. But, at the same time I didn't want to waste it in my fist.

Finally, I spotted the road that I was after. I killed the lights and took the corner on two wheels. The cab threw a cloud of dust behind us as I sped down the rutted dirt road. I slammed the car to a halt in a clearing between some big-ass oak trees.

I took a deep breath and waited, still unsure of what would happen next. "There's more room back here," one of them whispered. "Why don't you join us?" the other chimed in. I turned around and knelt on the front seat. But before I could climb over, Michelle's greedy mouth closed over my dangling cock. I held her face and shoved my dick rapidly in and out of her willing mouth.

Before I could come, Brianna snatched Michelle into the back seat. "We should let our guest 'eat' first," she giggled.

Somehow I managed to get myself into the back seat and wedged between the two chicks. Immediately a pair of hands reached for my dick. I had a soft boob against each shoulder and had a sudden urge to feel some hot pussy. So I put a hand between each pair of open thighs.

My fingers slipped easily into the two juicy slits. "Go deep," Michelle squealed. "Give it all you got!"

"Yeah," Brianna giggled, "nothing longer than a tongue in there for now..."

The two horny blondes seemed to think that it was funny as hell. However,

Michelle's laughter quickly turned to heavy breathing as I knelt on the floor and flicked her swollen clit with my tongue. Her pussy was hot, wet, and delicious. When I lowered my face and began tongue-fucking her in earnest, Brianna reached down and massaged her quivering clit.

The combination of me lapping her open cunt while her friend teased her clit took the blonde beauty over the edge. She screamed and grabbed the back of my head. I could hardly breathe, but the taste of her pussy as she filled my mouth with hot cum was too good to fight.

When she finally released my head, I came up gasping for air while grinning like a Cheshire cat. My face was smeared with her juice. Brianna was tucked into a ball in the corner. She had her feet up on the seat, and her finger massaging the lips of her cunt.

I reached over and slipped a finger into her juicy target and wiggled it around until she started to squirm. Then I took the slippery finger and very deliberately stuck it in my mouth and licked it clean. She quit pouting and opened her thighs. Although my dick ached to fill that beautiful cunt, I resisted and put my face into Brianna's snatch.

I savored the sweet flavor of her pussy; I spent a lot more time teasing and kissing her responsive clit. She begged me to stick my tongue in her pussy, but I shook my head and continued planting tiny kisses on her sensitive clit. "I'm gonna kiss you till you come," I grunted, not sure how much longer I could control the urge to shove my ready cock into one of the hot blondes.

Brianna came harder, louder, and longer than Michelle. She locked her knees over my ears and slid her pussy up and down my extended tongue. When at last she released me, I climbed back up on the seat to catch my breath. The next thing I knew, my dick was deep in a sucking mouth.

But it wasn't bobbing up and down. Instead, sweet Michelle had her head resting in my lap and was sucking on my

I went in so deep that I felt my balls slap against her warm, wet pussy. I dared not pump the beautiful ass. One good stroke and I was a goner.

cock like a baby with a pacifier. The gentle sucking was so great, but not enough to take me over. I was glad; I wanted to keep my dick in her mouth all night long.

I forgot completely about Brianna—that is, until I felt her lips nibbling at the base of my dick and my balls. She knew exactly how to treat my delicate testicles. I nearly lost my load when she tenderly took one of my cum-filled orbs into her mouth and rolled it around on her velvet tongue. “If you guys wanted to,” I gasped, completely out of my head by that time, “I’d fuck you both!”

Simultaneously, both chicks pulled their lips from my cock and balls. For a split second I was afraid that I ruined it, that I’d blown my chance to shoot off into one of the hungry mouths.

But, they were both smiling. “Brianna likes it in the ass,” Michelle giggled. “Show him, Brianna,” she gasped.

Without hesitation, the beautiful blonde got up and put the upper half of her body over the seat. Her perfect round ass was inches from my face. Her peach-perfect pussy was framed beautifully by her parted thighs.

Michelle placed her hands on Brianna’s ass and parted the soft cheeks. Her tight little rosebud popped into view. “Are you sure?” I gasped, already fighting to keep from shoving my tongue into the wrinkled hole.

“Make it juicy first,” Michelle whispered.

“Lick my asshole,” Brianna moaned as she wiggled the fantastic ass in my face. Her anus quivered as my tongue touched it for the first time. It opened like a flower under the pressure of my probing tongue. While I was lubricating Brianna, Michelle lowered her head and took my cock back into her mouth. I guess that she wanted to keep me ready. As if that were necessary; I was so ready I wanted to scream.

As soon as I was able to slide my entire tongue easily in and out of the quivering hole, I decided that she was ready. It wasn’t easy, but I managed to lean over

the seat on top of the hot blonde with my screaming-hard dick against the crack of her ass.

I sucked in my breath as Michelle wrapped her fingers around my shaft and put the head of my cock against her friend’s juicy asshole.

She kept it in her hand and rolled the tingling head in tiny circles against the wrinkled wonder. I ached to shove my dick into the tight channel in one long, maddening stroke. But I didn’t. I was too close to blowing it. Somehow, I knew that it had to be done their way. So I hung on and enjoyed the feeling of the steaming asshole against my cockhead.

“Now!” Brianna screamed, shoving her ass back at my prick. “Come in my ass. Come in my ass!”

As if they’d rehearsed it a hundred times, Michelle released my cock and pushed my ass as my cock sank all the way into the tight, hot channel.

I went in so deep that I felt my balls slap against her warm, wet pussy. I dared not pump the beautiful ass. One good stroke and I was a goner. So I held my cock deep in the sweet ass and gritted my teeth as she milked my cock with her magic muscles.

Brianna was already coming like crazy when I felt the first surge of hot cum racing up my shaft. I bellowed and began ramming my cock rapidly in and out of the quivering blonde’s ass.

Michelle grabbed my hips and pulled me off of Brianna. I landed with a thud on the back seat with my cock still spurt-ing cum everywhere. Michelle dove for my dick with her hungry mouth and drank my seed. She shivered and had an orgasm of her own as she swallowed every drop.

When it was over, we collapsed in a naked, sweaty heap. Once we got dressed and calmed down, I started the engine and drove them to their destination as they dreamily looked out the window of my cab.

This was one fare I’ll never forget. And best of all, the tip was absolutely great.

DILLION

Dillion's self-care vacation took a sexy turn by the lake. The beautiful scenery – and her beautiful figure was the perfect opportunity to take some private time for herself. She took her time, found her spot, and began mapping out her body to figure out what pleasure makes her moan. Fortunately for us, we can watch.

STACIE

My man's been away for a while, so I wanted to spoil him when he got back. I loved having his hands all over me and his cock deep inside. I let him have his way with me, and we did it in all of his favorite positions. We were so hot and horny that we couldn't even make it to the bedroom! That's okay, the sofa was perfect.

BLAIR-NTS-00

finally letters: human resources

So many letters have come into the office that we had to share just a couple with you here today.

Human Resources is never where I expected or wanted to be. But after a couple of comments to the wrong people, it's where I ended up. It wasn't my first time getting called in; it's what happens when someone oversensitive hears something that's none of their business and taking it all out of context, so I'm almost even used to it. But it was my first time to see the new HR manager.

A couple of the guys on the floor warned me about her, but I figured it'd be like every other time, and I'd be back to work in no time. As I walked into the office, I realized that they were warning me about something else entirely.

The woman who opened the door and led me into her office was like the poster child for office temptation. Shimmering blonde hair halfway down her back, brilliant blue eyes, and smoldering lips looked down on me from her tall frame. Even worse, she dressed in a tight-fitting blouse and skirt that seemed to be just barely permitted. She led me to a pair of overstuffed chairs, and it was everything I could do to keep my eyes from watching that skirt show more leg and display her tight ass.

She started asking me about the complaint, holding the file just in front of her voluminous chest like she was begging me to just stare. I just nodded to her questions, knowing the drill well enough by now. Except, this HR manager was

different. When we got to my "offense," she closed the file. I could've sworn that one or two buttons of her blouse were undone, and her chest seemed to jut out even more. She stood up and leaned over me, letting those enormous apples fall right in front of my face, barely held in by a flowery. I couldn't help myself anymore and finally told her how much I'd like to see them. She smiled and popped open the rest of her blouse.

*A couple guys on the floor
warned me about her, but I figured
it'd be like every other time*

Without thinking, I reached up to play with the toys she was tempting me with, feeling how firm, and how tightly held they were. She didn't resist, so I stood up and led her toward her desk, releasing the bra and showing off her full, perky breasts with no hint of a tan line. I buried my face deep inside, but my goal was already much more. In seconds, I had her skirt slid down her long legs to reveal that she wasn't wearing anything underneath.

I leaned her back over her desk and lifted her legs up in the air, letting one hand play with her warm and ready pussy, while my other pulled my dick out as quick as I could. I didn't even bother with the rest of my clothes as I just shoved myself in. She screamed and held onto the desk as I rammed deep inside, her chest bouncing in time with my thrusts.

As I pounded her, she called out some of the offenses I'd committed in the past, almost like she was mocking me.

Each time, I pulled her across the room into a different position, as though she was letting me enact all my comments from over the years. She had me throw her up against the wall, bent over on all fours, and rode me with her ass.

After she was done with me on one of the chairs, she slid down so that she was on her back, legs held up against the chair and split wide open for me. She reminded me why I was there that day, and my dick did a jump as I slowly lowered myself down to start piledriving her, something I'd always dreamed but never done.

Quickly, I kicked the chair away and held onto her weight and it wasn't long before I was forcing everything I could deeper into her, driving her back into the floor. She screamed and moaned, legs flexing around my neck, holding on and pushing me deeper and harder. I could only hold on so long and finally erupted, spilling what felt like a dozen loads deep into her slender frame. I collapsed over the

I collapsed over the top of her, and she gave me little time to gather myself.

if she's ever lived in the Nashville area? I was just walking by a newsstand in a local shopping area and saw it. I did a double take and went back to buy it. FYI: I was pleasantly surprised at how nice the ladies were and how great the issue looked. I especially like a lot of the anal sex, something I'm dying to try on my girlfriend this year.

I'm asking because I grew up in Green Hills. All my mom's friends were hot (my mom was, too) and Elsa Jean looks just like Amber who lived a couple houses down from us. Now I don't expect you to tell me her real name or personal history, but is there any way to find out if she's from here? When I was in high school, I had crushes on most of them. They would all come over and sit around the kitchen or out by the pool at our house swapping stories about their husbands and boyfriends. This was about six years ago.

I remember one time. Amber and Jodi, our across-the-street neighbor, were sunbathing topless at the pool. When my mom left to go

top of her, and she gave me a little time to gather myself. By the time I had, she was already dressed, wiping the last of my juice from her leg and preparing herself for the next meeting.

I realized the guys were right to warn me about her. As I left the office, I smirked at the next guy on his way in, giving him the same warning I'd gotten. It used to be that I'd at least try to avoid HR complaints. As long as this manager is here, though, they're not going to be so bad.

– David G., Peoria

Elsa Jean doppleganger

I'm writing to your magazine because I have to find out more about the cover babe on your issue latest issue, Elsa Jean. Is she the adult actress I see in videos? Do you know

to the kitchen to refresh their drinks, they called me over to rub some suntan oil on their backs. As a high school freshman, I couldn't be more obliging. I started with Amber and then Jodi. As I finished Jodi, Amber rolled over on her back and asked me to put some on her chest. The two ladies giggled. I said I shouldn't, but she said it was okay. So I did, splashing some in my hands and starting at her belly and then shoulders.

Well, this wasn't good enough and she grabbed my wrists and moved my hands over her boobs. I looked away but I felt her nipples get harder as I massaged oil on them. Just then, my mom came back and asked what was going on. I stammered in embarrassment as I tried to answer her. Back to Elsa Jean...

Please let me know, okay?

There's an old saying that if a boy pulls your pigtails, it means he likes you. What does it mean when he squeezes your ass and licks your boobs? I think it means he wants our first time together to be one to remember! I told him if he fucked my ass, he surely would remember me. And he did!

JENNIFER

I always like to be a little bratty before I get into it. I like to taunt my man a little: put on a strip show, joke that I can get myself off alone. But, my man knows this is all foreplay, and he's more than ready to put me in my place. My tenacious personality, and even more eager libido, means that I'm not afraid to go at it for hours. So, enough foreplay, pull that big cock out and let me see what I can do to it.
